SATURDAY 27TH & SUNDAY 28TH OCTOBER: In The Spotlight Photo day.

This will be a wonderful opportunity to get some great photos of the students that will be an everlasting memory. This year the photographer has streamlined your photo ordering experience. They will be taking **Internet orders** for the 2007 shoot. Photos will be available online to order 3 – 5 working days after the shoot. Photos will be posted directly to you within 10 working days of payment being made. NB. There will be a password issued to have access to this site. Please see victoria to list your email address for the photographers to send you the password.

There will be class shots taken initially, then the opportunity for individual and family shots. Each class has a specific time to arrive for their shots- please see other side.

If you do not want to purchase any photos, it would be greatly appreciated if you could still come for the class shots – Especially all Showgroup students!!!

COSTUMES

All costumes are either completed or on the way. As you will note I have added the remaining cost of the costume/s onto your invoice after deducting the \$20.00 deposit.

This week each class will be handed a note with particulars needed for their routine/s (eg. Type of stockings etc) which will be required by the photo weekend. (Please note I will bring all costumes on the photo and concert day.)

DRESS REHEARSAL WEEK

This year we will be holding full dress rehearsals in class time during the week of **Monday 29th October** to **Saturday 3rd November**. **This will require all students to bring the correct stockings, underwear, shoes etc to class. THIS DOES NOT INCLUDE HAIR AND MAKE-UP!** Your teacher will have your costumes in class.

ENROLMENTS FOR 2008

All information regarding classes for 2008 will be posted out in the beginning of January 2008. All existing students will have priority over new students, but don't be slow as classes can fill up quickly.

Please check your address on the top of your invoice. If it is incorrect please fix it when you hand in your payment slip.

FINAL PAYMENTS FOR 2007

Unfortunately due to bad experiences with payments in previous years, it has forced me to take stronger action this year. **ALL final payments for 2007 must be settled by Wednesday 7th November 2007, otherwise your child/children will not be able to take part in the concert.** (Unless prior arrangements have been made).

PHOTO DAY

All classes should receive a small note with hair and costume requirements for the concert and photo day. If for some reason you did not receive one, please feel free to contact me.

We all want to look fantastic in our photos, so here is a few points to ensure great photos:

- Please *don't* apply stage make-up, as it will be too dark and heavy for the photos. Foundation, blush, brown eye shadow, mascara, eyeliner and lipstick are fine but just a light application.
- No glitter on hair, eyes or bodies! It looks great on stage but it photographs as white dots.
- No nail polish.
- Please ensure hair is tidy with no 'whispy' bits.
- No jewelry. This includes any type of earrings, watches or rings
- Please ensure no personal videos or still cameras are used on the day as it interferes with the photographers equipment. .

Here is the running order for the photo days. I have tried my hardest to keep the same groups in succession, but it becomes very difficult when some students are in numerous classes.
